## Project Title: Vermin Supreme

### 1. Overview

This website is just a simple way of displaying information about the life and career of Vermin Supreme

### 2. Resources

Wikipedia and any other places to find images

### 3. Audience

Pretty much anyone but probably people about our age

### 4. Message

Anarchism and equality

### 5. Tone

Fun and laid back, informative without taking itself too seriously

### 6. Visual Style

Same as tone, but you can take it any direction you want
